Taste of Lemay-Affton Food & Business Expo

Friday, October 11, 2024 | 6:00-8:00 pm

Hancock Place Elementary School

We asked our newest member of the Board of Directors to answer a few questions so we can get to know him better.

Photo provided by Cindy's Photo.

Dr. Travis Bracht
Affton School District

TELL US ABOUT YOURSELF

I currently serve as the superintendent of the Affton School District and have done so for the past 6 years. I joined the Affton School District in 2012 as Assistant Superintendent. I have been in public education for 26 years as a teacher, coach, and administrator working in the Hazelwood and Francis Howell school districts prior to joining Affton.

My family consists of my wife of 22 years, Kelly, and our 2 rescue Weimaraners, Max and Jimmy. I grew up in Warrenton, MO with an older brother, Terry, and older sister, Paula. I obtained my Bachelor's Degree from the University of Missouri-Columbia and after moving back to the St. Louis area to start my career in education I also earned my Master's and Doctorate degrees from Lindenwood University.

FAVORITE HOBBIES/PASTIMES

My favorite things to do include running, traveling and trying new restaurants. Every Sunday morning you can find me in Forest Park running the trails. My wife and I don't get a lot of extended downtime but when we do traveling is a priority. We also try to keep up with all the new restaurant openings in the St. Louis area and try them out. If you need any travel or dining recommendations let me know! :)

FAVORITE QUOTE

"Success is not final; failure is not fatal: It is the courage to continue that counts." Winston S. Churchill

FAVORITE TRAVEL DESTINATION

Kelly and I celebrated our 20th wedding anniversary in September 2022 with a trip to Venice and Southern Italy with stops along the Amalfi Coast in Capri, Positano and Naples. The summer prior to that we visited the Galapagos Islands and spending 5 days on a catamaran exploring their small islands.

WHAT MOTIVATED YOU TO BE ON THE BOARD OF DIRECTORS?

I believe having top notch schools in the Affton-Lemay area helps keep the region thriving. I want our local business owners and community members to know I take that responsibility very seriously and look forward to getting to know everyone better.

WHAT IS A GOAL YOU'D LIKE TO HELP THE CHAMBER ACCOMPLISH?

I want to help with keeping the chamber membership strong and engaged.
